

One Source...Many Resources

Making HR & Benefits Easy

COORDINATED RESOURCES GROUP

"Insuring" financial peace of mind

We Are Now Part of ProSential Group.

We're responding to a changing environment.

Coordinated Resource Group is happy to announce that we have become the local affiliate in one of the fastest growing HR and Benefits Services companies in the United States, ProSential Group. ProSential Group combines the technology, services, and buying power of leading HR and Benefits companies located in more than 50 markets and representing more than 19,000 employers. As the local representative firm, we can deliver an extensive set of integrated HR and Benefits related products and services to our customers that yield higher returns on investment and solve the tough problems faced each day.

Our Philosophy

With in-depth knowledge covering a wide range of HR and benefits topics, ProSential's advisors can meet an employer's unique needs. Our local and national representatives have served thousands of employers across the country while delivering both simple and complex HR and benefits. Our proven expertise, customized solutions and comprehensive service brings measurable value to employers of all sizes.

About the ProSential Group

ProSential Group is a national group of affiliated independent Human Resources and Benefits Advisors. ProSential Group is dedicated to delivering integrated solutions that simplify the administration of human resources, benefits and payroll to employers. Employers leverage ProSential Group's extensive set of integrated local market expertise, technology, services and outsourced solutions.
